We are calling Bridget to find out what she wants to know, but do you want us to respond or do you want to do that?

Betsaida,

I assume you will want to address this--you may have already gotten this, but if so here it is again. Please confirm.

Thanks

Please follow up---Received a call from Bridget DiCosmo { Ex. 6 - Personal Privacy } with Inside EPA wanting a NFA (not for attribution) interview on the Dimock situation, specifically she has heard that there have been communications issues between R3 and HQ and wants to get background information. Thanks.
